

**Quarterly GSMP Management Report**  
**July – Sep 2007**

## Overview

The GSMP Management Report was created to give a high level overview of the state of GSMP and recent outcomes. This issue covers the period of July – Sep 2007.

### Key Takeaways:

- Development work is focused on maintenance of recently published and implemented standards in GDSN
- Healthcare has its first major delivery
- Efficiency improves as evidenced by an increasing percentage (over 70%) of CR's resulting in approvals. This is driven by improved prioritization mechanisms.

## Highlights of the Quarter
