# GS1 standards and guidelines posting log

Detailed log of all standards, guidelines or other significant GSMP document postings to [www.gs1.org](http://www.gs1.org)

## Document Summary

Document Item	Current Value
Document Name	GS1 standards and guidelines posting log
Document Date	2024
Document Version	
Document Issue	
Document Status	Draft
Document Description	Detailed log of all standards, guidelines or other significant GSMP document postings to <a href="http://www.gs1.org">www.gs1.org</a>

## Contributors

Name	Organisation
David Buckley	GS1 Global Office

# Table of Contents

<b>1</b>	<b>Introduction .....</b>	<b>4</b>
<b>2</b>	<b>Recent standards updates .....</b>	<b>4</b>

## 1 Introduction

This detailed posting-log below is maintained to provide 100% transparency in the posting of GS1 standards, guidelines and other significant GSMP documents in addition to the high-level summary of the latest version provided on <http://www.gs1.org/standards/log>

## 2 Recent standards updates

The table below lists the most recent updates to, and new releases of, GS1 standards and guidelines.

Older versions of the standards, guidelines or other documents are often replaced with the latest version (e.g., links below to the GSMP Manual will always point to the latest versions). Former issues of the GS1 standards and guidelines are stored in an archive and are available on request.
