

✦ **An extraordinary gift of 6,600 bars of soap has been given to children who need them most.**

Every single day children are dying from a range of diseases, because of a simple lack of hygiene. Something as basic as this gift, 6,600 bars of soap, saves lives. This gift will be used in health centres, schools and child-friendly spaces wherever the need is greatest.

✦ **TO: UNICEF AUSTRALIA**

✦ **FROM: GS1 Healthcare Team**

Thank you for giving children the very best start.

THANK YOU!

UNICEF's Inspired Gifts give children every chance to learn, be safe, be healthy and enjoy their childhood. This gift, given on your behalf, has been delivered to the field and helps children who need it most.
