On Monday, 15 November we will host special GS1 standards introduction sessions to global standards.
For more information click here

Day 1
Tuesday, 16 November

First session
How do digital technology and global standards improve clinical outcomes? ➜

Second session - Part 1
Medical Device Regulation Spotlight ➜

Second session - Part 2
Supplier Experiences ➜

Day 2
Wednesday, 17 November

First session
Leading implementation case studies – progress continues ➜

Second session
Driving healthcare change across the world ➜

Day 3
Thursday, 18 November

First session
Pharmaceutical Regulation Spotlight ➜

Second session
Helping Healthcare emerge smarter: What does the future of healthcare need to consider? ➜

Replays with a live host are scheduled every day. For more information, click here
