

33rd Global GS1 Healthcare Conference

Bogotá, Colombia | 10 – 12 April 2018

Participants list

The Global GS1 Healthcare Conference provides a neutral forum for all healthcare supply chain stakeholders to physically meet, exchange ideas, and advance development and adoption of global standards. Participants include representatives from governmental bodies and regulators, manufacturers, distributors, healthcare providers, group purchasing organisations, logistics providers, associations, solution providers and educational institutes. Participants also include GS1 Member Organisations from around the world representing their local healthcare communities.
