- Networking Event
 - Shedd Aquarium

John G. Shedd Aquarium

**1200 S Lake Shore Dr.
Chicago, IL 60605**

Make a splash at the John G. Shedd Aquarium! Guests can begin their evening with a cocktail in the Abbott Oceanarium. The mezzanine level is a recreation of a Pacific Northwest coastline where guests can visit with the dolphins, sea otters, sea lions, beluga whales and an array of fish and sea stars. The Caribbean Reef exhibit is a true underwater experience where guests can stroll through a 90,000-gallon exhibit surrounded in classical Greek architecture.
