

Regulatory

GS1 Healthcare User Group (HUG)

Healthcare

Baseline of Regulations

Updates to Current Baseline:

- Scope expansion – will be open for retail, hospital products, etc.
- Citation - to include hyperlink where possible

Additions:

- Package Level
- Data Structure/ Data Carrier
- Data Specifications
- Business Issues addressing
- Planned Actions / Suggestions

Segment:

- Governmental Regulations, Mandates, Directives, etc.
- Other Requirements, i.e., agreed upon standards, commercial standards, etc.

Publication of Information

Healthcare

Baseline of Regulations

Timeline – 4 weeks for responses

May need additional conference calls for clarification/interpretation

Recruiting of Regulatory Professionals

Future Considerations:

EDI

Data Retention
