

GS1 Contribution Declaration

Contributor, the undersigned individual or authorized representative of the company listed below, makes the following Contribution to a Working Group of GS1 AISBL. This Declaration is intended to set forth the terms pertaining to the use of any intellectual property rights of Contributor in said Contribution.

Specifically, Contributor is making the following Contribution: (please submit a separate Declaration for each Contribution)

- Name of individual/company making Contribution: _____
- Name of work submitted in Contribution: _____
- Brief description of Contribution: _____

(Please continue on additional paper if necessary.)

- Date of creation of work contained in Contribution: _____
- Actual Contribution to be attached to this Declaration (or submitted via facsimile to Working Group following submission of Declaration).

Making of Contribution

All Contributions referenced in this Declaration shall be recorded by GS1 in written form

Rights in Contributions

Contributor warrants that Contributor is authorized, and has the right, to make the Contribution(s) to GS1.

Contributor warrants that, to the best of Contributor's knowledge, there is no third party owning an exclusive right in the Contribution(s) or having intellectual property rights which effect this Contribution.

As a condition of making a Contribution to GS1, Contributor authorizes GS1 to incorporate the Contribution in a Specification, and hereby grants GS1 a non-exclusive, worldwide, royalty-free right and license to use and publish the Contribution, alone or in combination with the Specification, and to distribute the Contribution to any party implementing or using the Specification or implementing a Compliant system, portion or component of the Specification.

By making a Contribution of copyrightable material, including without limitation, drawings, compilations of data, software, or text, the Contributor shall grant to any party a worldwide, non-exclusive, royalty-free license to copy, publish, distribute and make derivative works that are based on or incorporate the Contribution, for use (a) in developing and publishing the Specification and related materials for which such Contribution was made; (b) in developing and implementing a Candidate Certified Compliant System or a Certified Compliant System; and (c) by other standards development organizations, such as ISO, solely for the purpose of adopting the same or substantially the same Specification.

Contributions Included

This Declaration shall apply to the Contribution to GS1 specifically referred to herein.

Reciprocity

The Contributor's license in Contribution(s) set forth herein shall not be effective as to any party that does not make a license available on substantially equivalent terms with respect to the same Specification as that requiring a license from the Contributor.

Authority

The Contributor represents and warrants that it is authorized to enter into this Declaration. The undersigned person represents and warrants that he/she is authorized to sign this Declaration on behalf of the Contributor.
