

FMCG Profile for target markets

Germany (276)

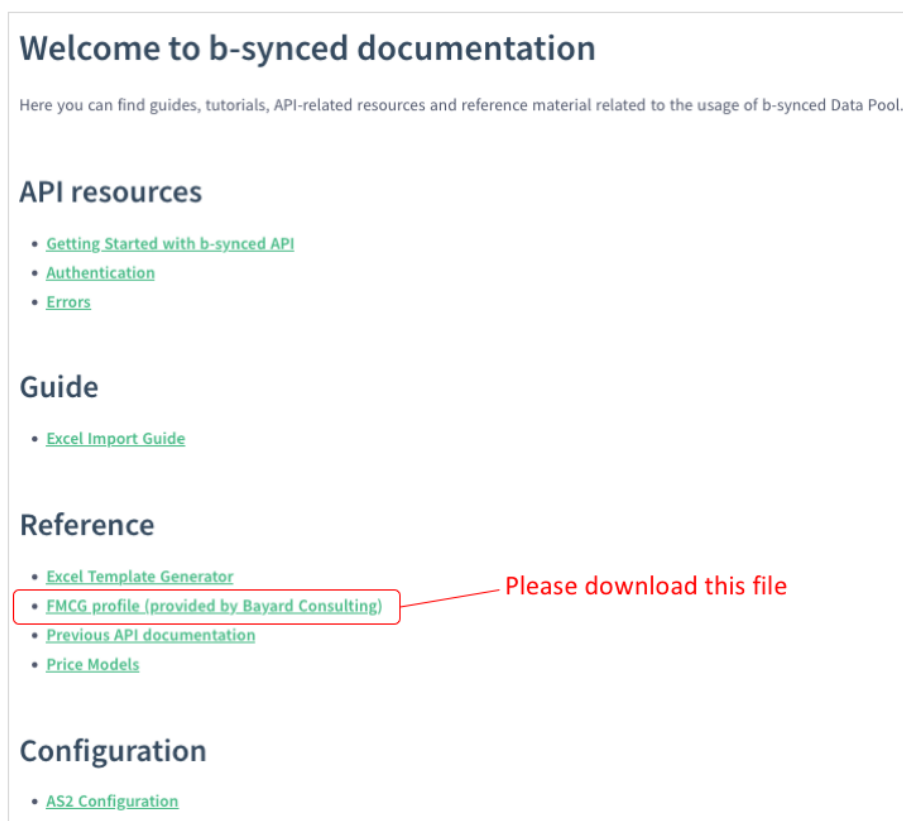

Austria (040)

Switzerland (756)

Users can download the full target market specific FMCG profile here:

<https://app.b-synced.io/docs/#/>

To download the file please follow the instructions from the screenshot:

A screenshot of the "b-synced documentation" page. The page has a white background with a light gray border. It contains several sections: "Welcome to b-synced documentation", "API resources", "Guide", "Reference", and "Configuration". In the "Reference" section, the link "FMCG profile (provided by Bayard Consulting)" is highlighted with a red rectangular box. A red arrow points from this box to the text "Please download this file" which is written in red. Other links in the list include "Excel Template Generator", "Previous API documentation", and "Price Models".

Welcome to b-synced documentation

Here you can find guides, tutorials, API-related resources and reference material related to the usage of b-synced Data Pool.
