# Leadership Roles & Responsibilities

- Develop and maintain the overall GS1 Healthcare strategy and annual tactical work plan (strategic priorities).
- Review and approve:
  - ✓ finances (twice a year)
  - ✓ conference/meeting planning
  - ✓ public relations, membership and policy.
- Carry the GS1 standards message to the government bodies regulating the healthcare industry plus other key industry stakeholders
- Represent GS1 Healthcare membership to external groups and organisations with interests in standards and patient safety
- Represent GS1 Healthcare in other GS1 groups, e.g. GSMP standards development
- Determine and oversee work topics/groups
- Monitor and control progress – twice a year report on strategic priorities, take correcting actions where necessary
